Title Refund & Returns

Description

1

Edit your information here

Common Format Paragraphs Insert

1. We do manual and thorough inspection before deliver your product. However, in case of product faulty, all our products come with 14-day warranty from the product delivery date.

2. Items that are qualify for refund/exchange are those that was due to our negligence i.e sending the wrong products or product which has different specification from what you have ordered. If the product faulty, please capture a clear picture and email it to us. Original packing in its original condition is required. Any used, scratches or damages caused by own careless will not be accepted

3. If product exchange request was due to customer mistakes (for eg ordered blue color but request to change red color), the request will be subjected to admin's approval provided that the item is still is its original conditions.

4. In case of refund, it will be credited into customer account and the balance can be used for the next purchase or future order.

The image shows a screenshot of an Admin Dashboard with a red navigation bar at the top. The navigation bar contains the following links: Home, Settings, Promotion, Products, Sales, Reports, and Help. The 'Products' link is highlighted with a red circle, and a dropdown menu is visible below it, containing the following options: Products, Product Feedback, Gift Voucher, and Discount Coupon. A red arrow points from the 'Products' option in the dropdown menu to a 'Products' link in the main dashboard area, which is also circled in red. A yellow callout box with the text 'Click "Product"' is positioned next to the arrow. The main dashboard area is titled 'Admin Dashboard' and contains a grid of links, each with an icon and a text label: General Settings (gear icon), Site Contents (document icon), News (newspaper icon), Products (box with up arrow icon), Product Brand (book icon), Discount Voucher (X icon), Discount Coupon (scissors icon), Sales Listing (calendar icon), User Listing (list icon), Report (bar chart icon), Login History (book icon), and Redemption Listing (person icon). The 'Products' link is circled in red. On the left side of the dashboard, there is a 'User Details' section with the text 'Welcome training, Edit Details | Log Out', 'New Order New!', and 'training Release'.

4. Q&A

You may change this Q&A based on your company policy.
This Q&A are sample only.

Q. How to purchase order on the site?

1. Click “Add To Cart” button on the products you wish to purchase.
2. Click “Continue Shopping” to continue add other products into the cart or click “Checkout” to proceed your payment for the products.
3. You'll reach a log in page where you need to log in your account using your Username and Password. If you don't have an account created yet, you need to register an account before you proceed your payment.
4. You'll need to confirm your shipping address on the “Shipping Address” page and click “next” button.
5. From here, you need to select your shipping methods.
6. Next you'll need to choose your payment method.
7. After the steps before this have been done, You need to reconfirm your billing details and agree on the terms and condition.
8. Click “Confirm Order” to complete the order.

Q. How to change my account personal information and shipping address?

Log-in your account → Click on “My Account” → Click "My Profile" → Edit your account information and shipping address here.

Q. I forgot my Password for my account. What should I do to retrieve it?

Click "Login" → Click on “Forgotten Password” and fill your email that used to register the account in the box.

Click Submit.

You will receive password recovery. Then login using e-mel and new password. You may change your password.

Q. Can I cancel an existing order that have been made?

Yes, only if the order is still on pending status.

- Please send an email to our customers service email at <<your-email-for-customer-service>> with the message title “Request to cancel order” in order to inform us about the cancellation order.

No, only if payment allready accepted and orders that are in shipping or shipped will not be cancel.

Q. After purchase if I don't like the item, can I return it back and request for refund?

Yes, you can return within <<how many days>> from receipt. Please send an email to our customers service email at <<your-email-for-customer-service>> with the message title “Return and refund” in order to inform us about the return and refund. The refund must be following the condition:

- i. All products must be in good condition with no defective or used item.**
- ii. The products must be return with full packaging. If not please wrap it or find suitable packaging to ensure the product do not get damaged.**

Please ensure you attach the following information with the products return for our references:

- i. Name**
- ii. Contact Number**
- iii. Email**
- iv. Item Purchase**
- v. Order number**
- vi. Reasons for refund**
- vii. Refund payment method detail**

Q. How long does it takes to receive refund?

After we receive returned items and ensure the product in good condition. Time to receive refund is depending on your preferred refund payment method. We will inform the refund payment via e-mel.

Q. What is the product's transaction currency?

All products transaction currency will be done in <<your-main-currency>>.

Q. How long does the delivery usually takes?

Delivery usually will takes about <<how many working days>> to <<how many working days>>
